Honorable Andrew Joyce, Chairman  
Albany County Legislature  
112 State Street, Room 710  
Albany, New York 12207

Dear Chairman Joyce:

The Albany County Department of Health (ACDOH) requests authorization to apply for the Leading in Lead Prevention Pilot Program. This grant opportunity will be used to remediate lead hazards from rental units in communities of concern. Within Albany County, the City of Albany has five identified zip codes where funding can be utilized to remove lead hazards in homes.

The grant award amount for Albany County is not to exceed \$1,136,270 with a maximum of \$40,000 per rental unit. This grant program leverages ACDOH's existing Childhood Lead Poisoning Prevention Program and will help build a more comprehensive solution to lead poisoning prevention.

Please don't hesitate to contact me if you have any questions or need additional information.

Sincerely,

Maribeth Miller, BSN, MS  
Interim Commissioner of Health
