Resolution/Law Number: Resolution 188
Date of Adoption: 6/13/2022

<u>Justification</u>: (state briefly why legislative action is requested)

The Albany County Division of Information Services is requesting authorization to enter into a Memorandum of Understanding (MOU) with the City of Albany to allow their Technology Department to use the County's 112 State Street Data Center as a data backup site. The City of Albany will provide their own equipment to include a firewall, switch and data storage. The County will provide rack space, electricity and use of their fiber connectivity - all of which are currently established. Albany County will not be responsible for maintenance of equipment. Any support for maintenance will be provided by the City of Albany. There is no cost to the County associated with this request.
