

Albany County Department for Children, Youth and Families
Justification for contractual agreements between Albany County and Providers of
Qualified Individual Assessments

The Department respectfully requests Legislative authorization to enter into Contractual Agreements with the below provider agencies for the term of September 1, 2021- August 31, 2022.

The Family First Prevention Services Act will take effect on October 1, 2021. The goal of this legislation is to reduce the number of children in congregate care, and to increase the number of kinship and foster care homes. This legislation is intended to promote interventions that keep children safely at home with relatives or in the community, whenever possible. The goal is to reduce lengths of stay in congregate care and prevent recurrence of placement.

Family First Legislation requires if a child is placed in qualified residential treatment program (QRTP) , within 30 days of the start of each placement, the child must be assessed to determine the appropriate level of care by a qualified individual (QI). This QI is a licensed clinician with a minimum of two years of child welfare experience and will work DCYF, the QRTP and permanency team to develop the assessment within 30 days of the placement in congregate care.

The following agencies are approved by the NYS Office of Children and Family services as Qualified Individual providers.
