Albany, New York 12207

Dear Chairman Joyce:

The Albany County Department of Health (ACDOH) requests an extension for the grant contract with the Center for Disease Control and Prevention for the Closing the Gap with Social Determinants of Health Grant. This six-month extension will be a no-cost extension and will extend the grant term to March 31, 2024. The funding will aid in the development of multisector action plans to address social determinants of health (SDOH). The ACDOH is requesting the extension in order to partner with outside agencies to implement training and to work with municipalities to develop, implement, or enhance policies that promote walking.

Please don't hesitate to contact me if you have any questions or need additional information.

Sincerely,

Elizabeth F. Whalen, MD, MPH
Commissioner of Health
