**Justification:** (state briefly why legislative action is requested)

The Department of Public Works is requesting the Legislature's approval to enter into an agreement with Carver Construction for the Construction of CR402 and CR404 Culvert Replacement Project in the Town Westerlo.

The County Purchasing Agent received four (4) bids for this project. Our engineering staff along with the County's hired Consultant reviewed the bids and recommended the award of this contract to the low bidder, Carver Construction. The total contract amount shall not exceed \$774,145.00.

The project includes replacement of the existing concrete box culverts along CR402 and CR404 with three-sided reinforced concrete span units, wingwalls, and guiderail. The project also includes the installation of asphalt, roadway striping and signs.
