Re: DGS Bond Resolution - County Facility Roof Renovations B2302

Dear Chairwoman Cunningham:

The Department of General Services respectfully requests approval of a bond resolution authorizing \$500,000 for County Facility Roof Renovations.

The purpose of this project is to address the ongoing needed repair / restoration to the roofs of various County Owned properties. We are proposing this plan to address the overall concern over the necessary maintenance. The project has a projected completion date of 2030.

These projects are included in the current Capital Plan - County Facility Roof Renovations B2302.

If you should have any further questions, please do not hesitate to contact me.

Sincerely yours,

David M. Latina  
Commissioner
