Accept the AAA State Transportation grant from New York State Office for Aging. This grant funding provides vital transportation services for older adults residing in Albany County. This will allow transportation services for non-emergency medical transportation and prioritized transportation to vital services for program eligible older adults residing in Albany County. Transportation to vital services includes; medical appointments, pharmacy, grocery shopping and/or food pantry, adult day care, and congregate meal sites. Through this state funded grant, this supplements the transportation services that are primarily funded through the Community Services for the Elderly Program (CSE) grant.
