Previous requests for Identical or Similar Action:

Resolution/Law Number: 219 (2020)

Date of Adoption: 7/13/2020

Justification: (state briefly why legislative action is requested)

The request is to accept this grant award. Service providers in NYS are required to provide interpretation services to individuals with limited English proficiency. This grant will allow the Crime Victim and Sexual Violence Center to provide services to these sexual assault victims, better serving the Albany County community. The Sexual Assault Services Program (SASP) is the first federal funding stream solely dedicated to the provision of direct intervention and related assistance for victims of sexual assault. Overall, the purpose of SASP is to provide intervention, advocacy, accompaniment, support services, and related assistance for adult, youth, and child victims of sexual assault, family and household members of victims, and those collaterally affected by the sexual assault. The SASP will support such services through the establishment, maintenance, and expansion of rape crisis centers and other programs and projects to assist those victimized by sexual assault.
