Dear Chairman Joyce:

Albany County Department of Health requests to contract with Cornell Cooperative Extension (CCE) to facilitate lead remediation trainings. Cornell Cooperative Extension is certified by the Environmental Protection Agency to provide Renovation, Repair and Painting (RRP) training courses. These trainings will assist the workforce in Albany County to meet the increasing workload presented by the RRP law. We are requesting to contract with CCE to provide this service from October 1, 2020 to September 30, 2021. This is 100% grant funded through the Childhood Lead Poisoning Primary Prevention Program.

Please don't hesitate to contact me if you have any questions or need additional information.

Sincerely,

Elizabeth F. Whalen, MD, MPH
Commissioner of Health
