Re: DGS Bond Resolution - Various Site Preparation Improvements B2701

Dear Chairwoman Cunningham:

The Department of General Services respectfully requests approval of a bond resolution authorizing \$3,000,000 for Various Site Preparation Improvements.

The County is preparing for future redevelopment as a catalyst in a plan for broader neighborhood revitalization. These projects will allow the County to better position these land improvement projects as shovel ready.

These projects are included in the current Capital Plan - Various Site Preparation Improvements B2701.

If you should have any further questions, please do not hesitate to contact me.

Sincerely yours,

David M. Latina
Commissioner
