Honorable Andrew Joyce, Chairman Albany County Legislature Legislative Clerk's Office 112 State Street, Room 710 Albany, New York 12207

Dear Chairman Joyce:

The attached correspondence is forwarded for presentation to the Albany County Legislature.

As you are aware our office is responsible for the operation and administration of the Albany County Advanced Life Support Program which provides Paramedic & EMT response in the Towns of Bethlehem, Coeymans, New Scotland, Berne, Rensselaerville and Westerlo. We also operate an EMT program for the Bethlehem Volunteer Ambulance Service, Delmar Fire District and the Town of New Scotland.

We continue to experience problems with filling full and part-time Paramedic and EMT positions with Albany County residents. There is a lack of available emergency personnel residing in Albany County has proven to be a hindrance in getting available applicants.

The situation continues to be an issue with fulfilling our staffing requirements and I request legislative approval to fill full & part-time Paramedic & EMT positions with out of county residents. At all times, a qualified resident of Albany County would receive preference over a non-resident.

Should there be any questions, do not hesitate to call.

Att.

Cc: Hon. Daniel P. McCoy, County Executive Hon. William Clay, Public Safety Chairman

Hon. Wanda Willingham, Audit & Finance Committee
