DEPUTY COUNTY EXECUTIVE

February 4th, 2025

Hon. Joanne Cunningham, Chairwoman
Albany County Legislature
112 State St. Rm. 710
Albany, NY 12207

Dear Chairwoman Cunningham:

This request is to amend the agreement with Barton and Loguidice to provide Albany County and its encompassing jurisdictions with an all-hazard mitigation plan that meets the requirements and approval of the Federal Emergency Management Agency (FEMA) and the New York State Division of Homeland Security and Emergency Services (DHSES). A requirement of the plan is to include evaluation and analysis of high-hazard dams located within Albany County and the completion of "High Hazard Potential Dam" worksheets, and this service was not included in the previous agreement. The cost of the analysis and completion of the worksheets is \$45,000 and will be paid out of the Green Bond, CAPIT-HHG4. The prior legislation approving the contract with Barton and Loguidice for their professional services is 23-290 and was approved on 7/10/2023.

If you should have any questions, please do not hesitate to contact me.

Sincerely,

Daniel P. McCoy
Albany County Executive
