Justification: (state briefly why legislative action is requested)

Trey Kingston, Assessor for the City of Albany, submitted an Application for Corrected Tax Roll, on behalf of Israel Community Service Program. Israel Community Service Program submitted a renewal application for a nonprofit exemption on February 27, 2018. The assessor's office accepted the application; however, due to clerical error the office omitted the exemption from the property dataset. I provided a stamped copy of the exemption application for review. I also requested a statement from the service program to clarify that the board was active as of March 1, 2018.

I recommend correcting the 2019 City of Albany tax roll to reflect the exemption for nonprofit organizations. One property, 274 Washington Ave, has an unpaid water charge. The water charge does not get exempt with this correction. The corrected property tax amounts are:

274 Washington Avenue - \$ 1,216.87

Rear of 419 State Street - \$0

Rear of 415 State Street - \$0
