DESCRIPTION OF REQUEST: (state briefly why legislative action is requested)

This legislative request is to accept grant award funding from NYSERDA's Clean Energy Communities Program. Through the completion of high impact action items in the Clean Energy Communities Program, the County is eligible to be awarded up to \$810,000. These funds are required to be used for clean energy/sustainability projects or initiatives. This funding will be used to offset the costs of the installation of a solar array and new electric vehicle charging stations on the roof of the MVP Arena Parking Garage.
