**DESCRIPTION OF REQUEST:** (state briefly why legislative action is requested)

This request is to authorize a budget amendment to the 2025 Department of Public Works budget. This amendment would redirect funding into DPW's electric budget line DM5130-44101. The County is receiving solar credits from National Grid as a result of the operation and electrical production of the County-owned solar array located in the Town of Colonie at 897 Watervliet Shaker Road. These solar credits are being redirected to DPW's electric line to cover the cost of the agreement with Calibrant NY II, LLC for the ongoing operation and maintenance of the solar array.
