Hon. Andrew Joyce, Chairman

Albany, NY 12207

Dear Chairman Joyce:

The Department of Public Works is requesting the Legislature's approval to enter into an agreement with Eckert Mechanical for the HVAC Contract for the Knox Highway Garage.

The project includes installation of liquid propane boilers to fuel radiant floor heat in the heated truck bays, office, and break room areas. In addition, air source heat pumps will be installed to cool the office and break room areas during the warm weather months.

The County Purchasing Agent received five (5) bids for this project. The County's hired Consultant reviewed the bids and recommended the award of this contract to the low bidder, Eckert Mechanical. The total contract amount shall not exceed \$288,966.00.

If there are any questions or further information is needed, please feel free to contact my office.

Sincerely,

Lisa M. Ramundo
