**DESCRIPTION OF REQUEST:** (state briefly why legislative action is requested)

The Department of Parks and Recreation and the County Executive's Office are requesting to amend the Lawson Lake public use plan to reflect current use and prohibitions. Specifically, we request the removal of overnight camping and open fires from the list of prohibited uses and activities. Lawson Lake has tent platforms and a concrete campfire ring, which are within view of regular visitors and hikers, and which can be safely used. To reflect current use and the County's future use goals, we request the amendment of the public use plan.
