Previous requests for Identical or Similar Action:

Resolution/Law Number: Resolution 372
Date of Adoption: 10/13/20

Justification: (state briefly why legislative action is requested)

The short term borrowing will provide the County with the necessary cash to maintain a positive balance in the General Fund through the fourth quarter of the 2020 and into 2021. This funding will assist in the County's cash management ensuring that the necessary cash is on hand to meet operational expenses and will be backed by a portion of the 2021 Tax levy from the County to the municipalities within the County.

Two of the County's main sources of revenue have been impacted during the COVID-19 pandemic; sales tax receipts and reimbursements from New York State. While sales tax receipts have started to begin their return to normalcy, we still do not know the final numbers for either the fourth quarter of 2020. Additionally, many of the payments from NY State are being paid at 80% of their face value based on authority granted in the State FY 2021 Enacted Budget.
