DEPUTY COMMISSIONER

July 21, 2022

Hon. Andrew Joyce, Chairman
Albany County Legislature
112 State Street, Rm. 710
Albany, NY 12207

Dear Chairman Joyce:

DPW plans to undertake a project to remove an existing metal storage structure at the Rensselaerville subdivision and replace it with a 60' x 60' metal structure. The new structure will be located on previously disturbed land within the subdivision property. This project will be funded with existing CHIPS money.

The project meets the criteria established for SEQR Unlisted Actions. Accordingly, a Short Environmental Assessment Form (see attached) has been completed. This action has been determined not to have a significant impact on the environment. To complete the SEQR process, the Albany County Legislature must adopt the Determination of Significance.

If there are any questions or further information is needed, please feel free to contact my office.

Sincerely,

Lisa M. Ramundo
Commissioner
