Dear Chairman Joyce:

The Department for Aging (DFA) requests legislative approval to enter into an Agreement with Assess Transit, Inc. (CDTA) to provide brokerage services for human services transportation and provide non-emergency medical transportation and prioritized transportation to vital services for program eligible seniors living in Albany County. Transportation to vital services includes; Medical Appointments, Pharmacy, Grocery Shopping and/or Food Pantry, Adult Day Care, and Congregate Meal Sites. The Contractor shall also provide education on fare products to seniors that qualify for CDTA STAR Services.

The brokerage services will include receipt and disposition of transportation requests, transportation vendor network management, and coordination of transportation services to deliver quality services at the lowest cost and analysis and reporting of transportation services utilization.

The Department for Aging offers a limited number of prioritized transportation trips to vital destinations for program eligible seniors. Due to limited funding, we will ensure that available resources are prioritized to provide vital transportation services to seniors that do not have access to other means of transportation.
