Dear Mr. Conway

After discussing this with Mr. Conway, the Village Board of Trustees is requesting to obtain property that Albany County has taken over. The lot is located at 20 Harris Ave., Ravena, NY 12143, Tax Map #168.11-3-23.20.

This is an unbuildable lot located within the 100-year flood plain. The existing storm sewer for the Village is located on this property. The Village would like to construct a stormwater pond on this site to help alleviate the flooding issue. The Village has been maintaining this property for the past 15 years and will continue to do so in the future.

The Village is willing to pay the legal expenses accrued during the acquisition of this property.

Sincerely,

A handwritten signature in blue ink, appearing to read "Bill Misuraca, Jr.", written over a blue horizontal line.
