Dear County Executive,

The three above listed properties were previously owned by my daughter and myself. I am enclosing a bank check for \$37,158.02 as a deposit to reacquire these properties.

Unfortunately, due to circumstances way beyond my control, they fell into foreclosure judgment. Since my disability early retirement, having to care for my mom who is now 100 plus in years. I have encountered a great deal of hardship. Just as I was digging myself out of those issues, covid 19 hit the nation. It is only by the grace of God that I managed to obtain the monies to request that my houses be sold back to us. We thank you in advance. We do appreciate this opportunity.

Sincerely,

Karen Range
