**DESCRIPTION OF REQUEST:** (state briefly why legislative action is requested)

The main arena floor has sustained several significant gouges. Rebar is showing in several areas. There have been several attempts to patch, but they continue to come out. The kitchen floor has had years of wear and tear. The existing floor covering is coming up in pieces and makes the kitchen look unsanitary. The Quad stairs going to the bathrooms from the concourse stick out because they are near the refinished concourse lobby floors. This project is included within the current Capital Plan - Arena Floor, Quad Stairs Refinishing and Atrium Door Patching - C1903.
