Resolution/Law Number: 2022-36

Date of Adoption: 2/14/2022

Justification: (state briefly why legislative action is requested)

In 2017, New York State passed legislation raising the age of criminal responsibility to 18-years-old in an effort to provide young people in New York with the intervention and evidence-based treatment they need. The new measures were phased in over time, raising the age of criminal responsibility from 16 and 17 years-old. The Probation Department is in a current contract with Northern Rivers to provide Raise the Age Services. The RFP allows for two one year extensions. The Probation Department would like to renew the contract for an additional one year. The program is designed to provide case management services to Raise the Age population, while incorporating the use of parent advocates and community coaches/credible messenger. These individuals will be members of the community with real life experience that will be helpful in assisting youth and families navigate the juvenile justice system, all of which will be under the guidance of a case manager. Services will include mentoring, transportation, skill building, parental support/education, housing assistance and vocational/educational advocacy. Northern Rivers will work closely with the Probation Department responding to each youth's individual needs.
