CONTRACT INSTRUCTIONS

The project director must make sure that the person reviewing and signing the contract is aware of the following information:

- 1. Changes <u>cannot</u> be made to the contract. Any changes made <u>will</u> result in a rejection of the contract.
- 2. Once the attached Signature page is signed by an authorized representative (**see below**) **and** notarized, **ONLY** the completed Signature page is to be returned to the New York State Governor's Traffic Safety Committee (GTSC). Do **NOT** return the contract.
- 3. The completed Signature page must be emailed to GTSCContracts@dmv.ny.gov.
- 4. The Signature page with the original "wet" signatures must be mailed to:

New York State Governor's Traffic Safety Committee

Attn: Contract Coordinator

6 Empire State Plaza, Room 410

Albany, NY 12228

- 5. When the completed Signature page with the original "wet" signatures is received, the GTSC will upload the completed Signature page into an electronic version of the contract. A copy of that contract was provided with the grant award letter.
- 6. Once all required approvals are received, a copy of the approved contract will be emailed to your organization for your records.

Authorized Representative:

Having the project director role on the grant does **NOT** give someone the authority to sign the contract. Although a specific department may have submitted the grant, the contract is not with that specific department; it is with the City, County, Town or Village. For example, the Town of Smith's Police Department submits the grant. The Contractor is the Town of Smith, not the police department. The person signing the contract must have the legal authority to bind the Town to a contract. Please contact your County, City, Town or Village Legal Department to determine who has the authority to sign the contract.
