Justification: (state briefly why legislative action is requested)

Albany County Department of Health (ACDOH) requests permission to purchase 5000 air purifiers from Austin Air and amend the 2022 Health dept budget for \$2,708,250. ACDOH facilitates biweekly meetings with Albany County schools in an effort to support keeping schools open. School leaders have expressed an interest in receiving air filters for the provision of clean air in their classrooms. This is an allowable cost on the ELC School Reopening grant and is 100% reimbursable. Other counties throughout NYS who have received this funding have also purchased air filters as requested from their schools. Air purifiers will be shipped directly to schools, quantity will be based on student population.
