DESCRIPTION OF REQUEST: (state briefly why legislative action is requested)

The Department of Public Works is requesting the Legislature's approval to purchase of one (1) Leeboy 8608 Paver from Stephenson Equipment, Inc. for \$275,343.00. The Albany County Purchasing Agent received three (3) bids for the Paver. Stephenson Equipment, Inc. is the lowest bidder. This paver will replace the current paver DPW received from the Town of Bethlehem in 2004, which is scheduled to go to auction. A new paver will enhance Public Work's ability to lay asphalt on roads, highways, parking lots, and other surfaces such as the Rail Trail that require a smooth, durable surface.
