To whom it may concern:

I am pleased to confirm that the Innovation Partnership between MVP Health Care and Albany County will be providing a grant of \$300,000 to support the renovations of the train depot located on the Albany County Helderberg-Hudson Rail Trail. This funding will be allocated for both external and internal improvements, with the goal of transforming the space into a welcoming and accessible resource for the community.

Should you have any questions or require further information, please feel free to reach out. Thank you for your attention.

Sincerely,

Brandi Landy
