Justification: (state briefly why legislative action is requested)

The Department of Public Works is requesting the Legislature's approval of a bond resolution which would authorize \$10,151,000.00 in bonds to finance twelve (12) highway and bridge construction projects, \$350,000.00 for DPW Fuel Remediation Project, \$950,000.00 for the Highway Pavement Recycling and \$1,270,000.00 in bonds to finance the purchase of new Vehicles & Trucks in 2021. The total bond request would be \$12,721,000.00.

We used information from the Albany County Capital Plan to compile the attached funding spreadsheet. This spreadsheet contains the funding requirements for all of the highway and bridge construction projects for which funding is needed in 2021. It includes 100% County funding for all of the projects.

The Senior Natural Resource Planner of the County Department of Economic Development, Conservation & Planning completed the State Environmental Quality Review (SEQR) assessments for the above projects. We have enclosed the assessments.
