Previous requests for Identical or Similar Action:

Resolution/Law Number: 22

Date of Adoption: 2/24/2022

Justification: (state briefly why legislative action is requested)

Approval is requested to contract with the New York State Industries for the Disabled (NYSID) for the provision of laundry services as an ancillary service under the Expanded In Home Services to the Elderly Program (EISEP). Currently EISEP funding is received through the Albany County Department for Aging via NYS funding and will, in part, be utilized to provide these ancillary laundry services. NYSID will subcontract with Plaza Linens to provide the laundry bags, pick up, delivery, cleaning and processing of laundry.

Plaza Linens has agreed to also provide an opportunity for older adults and individuals with disabilities, who are not eligible for EISEP or Medicaid services, to make arrangements directly with Plaza Linens through a private pay option. Having this as an option for private pay individuals will help delay or reduce their need to apply for governmental programs, further providing Albany County with some overall savings.

Ancillary services through EISEP shall be provided only to EISEP clients pursuant to a care plan and expenditures for ancillary services may only be made if no other payment source is available. EISEP home care and ancillary services are provided to eligible persons to allow them to remain in their own home, thus precluding or delaying more costly nursing home care. EISEP services are provided to 170 individuals with 55 clients in the community using Plaza Linens for laundry services.

Albany County is able to contract directly with NYSID as a New York State Preferred Source Vendor without having to issue an RFP.
