Previous requests for Identical or Similar Action:

Resolution/Law Number: Reso 172 for 2023

Date of Adoption: 5/8/23

Justification: (state briefly why legislative action is requested)

In 2022 the County of Albany passed the STAGE Act, establishing a framework to support green industries in the County. The law recognized that industries like offshore wind, green hydrogen, solar, and zero emissions vehicles represent a strategic opportunity for investment and job creation in the County. In May of 2023 the Rules and Regulations for the STAGE Program were adopted by the County Legislature and in July the program was launched. The Local Law and Regulations call on the Advance Albany County Alliance (the Alliance) to administer the grant program on behalf of the County. To achieve that end we are seeking authorization to transfer the 2023 budgeted STAGE funds to the Alliance to administer grants that are approved by the County STAGE Committee.
