Date of Adoption: 5/8/2023

**Justification:** (state briefly why legislative action is requested)

As part of the Albany County Solar Project the New York Power Authority provided Albany County a \$350,000 grant to support the development of the solar project at 897 Watervliet Shaker Road. The grant is being used as a 'down payment' to support the developers capital costs and thereby bring down the cost of energy being purchased by the County. The funds have been received by the County and we are now requesting authorization to transfer funds to the developer, Calibrant NY II, LLC
