

# 2023 OCHIN Epic Products and Services Price Book

CHIN

## Putting You and Your Patients at the Center

You work tirelessly to provide quality, affordable health care for everyone you serve. OCHIN is here to help you meet your clinical, financial, and operational goals as a trusted health equity partner and reliable source of industry insight and innovation. Our comprehensive portfolio of integrated solutions and our human-centered approach are backed by over 20 years of practice-based research and solutions expertise to help you expand patient access and improve outcomes—while fostering efficiencies that alleviate clinician burden and streamline operations and care delivery.

## Supporting Your Communities

As an OCHIN member, you're part of a thriving, learning, expanding collaborative dedicated to addressing your community's needs. As a recognized leader in equitable health care innovation, OCHIN supports more than 22,000 providers reaching over six million patients across 45 states. We'll work with you to tailor your options in a way that meets the unique needs of your patients, your organization, and your diverse community—connecting everyone to a more robust and dependable circle of care. Our enduring mission is equipping you with peace of mind, confidence, renewed focus, and a representative voice that puts you at the center of sustainable health care transformation. **Welcome to OCHIN.**

## OCHIN Ambulatory Hosted Epic

### Technology

- Epic Practice Management:
  - Cadence Scheduling
  - Resolute Professional Billing
  - Prelude Registration
- EpicCare Electronic Medical Record
- Visit Navigators: OB/GYN, Primary and Specialty BH, HIV, Ophthalmology/Optomety
- OCHINLink electronic access for care coordination, planning, chart review
- Wisdom Electronic Dental Record
- MyChart Patient Portal
- Willow Outpatient Pharmacy Module
- Compass Rose Care Coordination and Management Program
- COVID-19 Mobile Testing App
- COVID-19 Mobile Vaccination App
- eSignature Pads
- Patient Messaging and Texting
- Secure Chat Instant Messaging
- Scanned Material Storage
- Advanced Scheduling centralized call center scheduling across your organization; slot utilization reporting

### Managed Infrastructure

- Managed Data Center Infrastructure
- Product Upgrades and Ongoing Enhancements
- Disaster Recovery and Auditing
- Encryption and Transmission
- Incident Protection and Detection
- Infrastructure management
- Epic License and Maintenance Fees

### Support

- Member Care Team/Customer Care Manager
- Help Desk/Tier one break-fix support
- Workgroup participation
- Monthly Operations meeting
- OCHIN Newsletter
- Access to knowledge base (workflows, best practices, guidebooks)
- Access to online Learning Management System (LMS) training
- Invitation to annual conference
- Invitation to Progressive Leaders Workshop Webinar series
- Third-Party Technology Partner negotiation for services and add-ons

OCHIN Epic Product/Service	Price	Maintenance
Practice Management	\$2.75/Visit	\$2.66/Visit

## Claims Ingestion Services

Effective January 1, 2021, claims ingestion fees take effect for all members, on a tiered basis based on the member's visit volume as described below. All members are subject to this fee, with no opt-out, once we start receiving claims data on the member's behalf. This service entitles members to unlimited claims ingestion from any number of feeds.

Member Size	Annual Claims Subscription Fee
0-49K annual visits	\$3,000
50K – 150K annual visits	\$4,000
>150K visits	\$5,000

## Ambulatory Interfaces

OCHIN provides a number of interfaces to support communication between systems.

Interface	Description	Development	Annual Maintenance
ADT - In/Out Complex	Patient Registration ADT (in or outbound complex)	\$125/Hour	40% of Total Development Cost (\$1,428 min)
ADT - Out No Transformation	Patient Registration ADT (outbound no transformations)	\$3,600	\$1,428
CCD	CCD exchange uses Care Elsewhere functionality that is charged on an annual subscription basis	\$3,120	\$1,428
CERM	Care Everywhere Referral Management (closed loop)	No charge	No charge
Dentrix Bundle - ADT/DFT/SIU	Dentrix combo ADT/DFT/SIU	\$3,600	\$3,098
Immunization Registration (Current State)	Immunization VXU/VXQ - bidirectional (Immunization Registry in your current state)	\$1,200	\$1,428

Interface	Description	Development	Annual Maintenance
Immunization Registration (New State)	Immunization VXU/VXQ - bidirectional (Immunization Registry a new state)	\$1,200	\$1,428
Immunization Registration (Oregon)	Immunization VXU/VXQ - bidirectional (Immunization Registry in Oregon)	\$1,200	\$1,428
ORM and ORU - Existing Lab (LabCorp, Quest)	Bidirectional lab order and result ORM and ORU (LabCorp, Quest)	\$8,000	\$3,360
Existing Interface	Existing Interface – Lab, Radiology, Third-Party	\$18,000	\$7,200
New Interface	New Interface – Lab, Radiology, Third-Party	\$25,000	\$8,000
ORU - In/Out (Unsolicited)	Lab Results ORU - inbound or outbound (unsolicited)	\$125/Hour	40% of Total Development Cost (\$1,428 min)
State PHL	Interface with State Public Health Lab	\$125/Hour	\$1,428
Prescription Drug Monitoring (PDMP)	See Third-Party Integration: Bamboo Health PDMP		
SIU - Out Complex	Appointment Scheduling SIU - outbound complex	\$125/Hour	40% of Total Development Cost (\$1,428 min)
SIU - Out No Transformation	Appointment Scheduling SIU - outbound no transformations	\$3,600	\$1,428
Transcription and Medical Documents MDM - In (Unsolicited)	Inbound transcriptions and medical documents MDM (unsolicited)	\$3,600	\$1,428

## Acute Care Interfaces

Interface	Description	Development	Annual Maintenance
AHT	Long-Term Care Solutions	\$8,000	\$3,200
Butterfly	Ultrasound Interface	\$8,000	\$3,200
Mayo	Reference Lab	\$8,000	\$3,360
MUSE	ECG Database Management	\$8,000	\$3,200
OBIX	Fetal monitoring	\$30,000 + Vendor Costs to be scoped	\$30,000 + Vendor Costs to be scoped
Nuance PowerShare	Image sharing functionality between entities in a cloud-based network	\$26,000	\$62,000/year + \$2.50 /Report
Nuance PowerScribe	Cloud-based voice-driven virtual assistant	\$32,000	\$55,000/year +

Interface	Description	Development	Annual Maintenance
			\$1.05 /Report
Phillips	PACS	\$8,000	\$3,200
	Vitals	\$8,000	\$3,200
Pyxis	Medication Dispensing Solution- for both orders and results)	\$8,000	\$3,200

## Imaging and Lab Solutions

Interface	Description	Development	Annual Maintenance
SafeTrace (Blood Bank)	Specialized transfusion management system. <u>Additional Costs to be scoped:</u> Data Conversion - \$50,000 (optional)	Standard Cost: \$49,713 *subject to vendor scoping	Standard Cost: \$21,143/year *subject to vendor scoping
Sectra PACS	Imaging Solution	\$55,375	\$4.86/image
Data Innovations	Lab Instrument Middleware <u>Additional Devices</u> - Implementation: \$8,700/Device - Maintenance: \$1,625/Device	\$87,031/8 Devices	\$16,256/8 Devices
	Training Class	\$2,500/seat	N/A
Telcor	Point of Care Middleware <u>Additional Devices</u> - Implementation: \$500/Device + vendor cost - Maintenance: vendor cost	\$9,844	\$6,000
CareSelect	Image Decision Support	Per Exam: \$7,375	\$0.38/exam
		Subscription: \$7,625	\$7,325/year

## Third-Party Add-On Integration with Technology Partners

The products and services below are available to add onto OCHIN Epic member contracts:

Add-On	Description	Setup and Configuration	Maintenance
AMN Healthcare Language Services	Interpreter Services for Telehealth, video, and audio	-	Spoken Interpreter Service: \$1.26/Min Sign Language Interpretation: \$2.12/Min

## OCHIN Broadband Network Services (OBNS)

Solution for network connectivity—with a reliable, scalable, and robust broadband infrastructure, the path to integrated Health IT solutions is wide open.

- High-speed broadband access to medical grade networks
- 65% subsidy from the FCC for non-recurring, eligible installation costs to build and deploy connectivity within the broadband network
- 65% subsidy from the FCC for eligible monthly connectivity services
- 24x7 Network Operations Center and monitoring
- One-time fee for network router priced separately

Annual Price per Location				
	% of Subsidy Fee	Minimum	Maximum	Cap
<b>Clinic</b>	15%	\$2,000	\$6,000	\$80,000
<b>Small Hospital</b> (CAH/25 Beds)	20%	\$4,000	\$20,000	\$80,000
<b>Medium Hospitals</b> (26-400 Beds)	20%	\$5,000	\$40,000	\$80,000
<b>Large Hospital</b> (401+ Beds)	20%	\$5,000	\$40,000	\$80,000

## OCHIN Risk Assessments, HIPAA Training, and Cybersecurity Assessment Services

### Risk Assessment

Includes:

- Onsite walk through
- Onsite interviews
- Identify and document potential threats and vulnerabilities to PHI
- Document review
- Assess current security measures
- Determine the likelihood of a threat occurring
- Determine potential impacts of threats

	Practice	Total Staff	Risk Assessment Typical Price Range
Level 1	Single Practice	1–24	\$5,000–\$6,000
Level 2	2 Sites	25–49	\$6,000–\$7,000
Level 3	3–4 Sites	50–99	\$8,000–\$12,000
Level 4	5+ Sites	100+	\$15,000–\$30,000

<b>Additional EHR(s)</b>	\$1,000/EHR (up to 5)
<b>Additional Locations</b>	\$1,000–\$3,000/Location (depending on size)

### HIPAA Training

Includes:

- Interactive educational programs on privacy, security, and regulatory compliance topics
- In-person or live, recorded instructor-led webinar
- Discounted follow-up webinars

HIPAA Training Pricing	
On-Site Training	\$150/hour
One-Hour Webinar (with Recording)	\$500 each
One-Hour Follow-Up Webinar (with Recording)	\$150 each

### Cybersecurity Assessment Services

Silver Package includes:

- Automated network vulnerability scan to identify potential weaknesses

Gold Package includes:

- Automated external IT infrastructure vulnerability test
- Manual assessment of identified weak points

Platinum Package includes:

- Rigorously targeted security assessment of all IT infrastructure, including:
  - Vulnerability scan
  - External penetration test
  - Internal penetration test
  - Full-spectrum simulated (harmless) attacks

Diamond Package includes Platinum services plus:

- Social engineering assessments
- Scenario-driven engagements
- Vulnerability re-test
- 40 hours of consultation services

Cybersecurity Assessment Packages	
<b>Silver:</b> Vulnerability Scan Only Includes 16 Hosts (i.e., URLs or IP Addresses)	\$2,500 Add Hosts (+16): \$500
<b>Gold:</b> External Test Includes 16 External Hosts	\$8,000 Add Hosts (+16 Ext): \$1,600
<b>Platinum:</b> External and Internal Test Includes 16 External and 756 Internal Hosts	\$20,000 Add Hosts (+16 Ext): \$1,600 (+756 Int): \$6,000
<b>Diamond:</b> Comprehensive Custom Program	\$35,000 Add Hosts (+16 Ext): \$1,600 (+756 Int): \$6,000
<b>Cybersecurity Consultation Services:</b> On-demand Professional Services	\$150/Hour Minimum 20 Hours

## OCHIN Ambulatory Medical Billing and Coding Certification

OCHIN's medical and billing coding certification program is 16 weeks long and at the conclusion, assuming testing is successfully completed, participant will receive both an AAPC Medical Billing certification as well as an AAPC Medical Coding certification and their first year's AAPC membership fee.

Program	Cost: Tuition and Class Materials
Medical Billing and Coding Certification (16 weeks)	\$4,000/Student (Same for OCHIN Members and Non-OCHIN Members)
Either Program (8 weeks)	\$2,500/Student (Same for OCHIN Members and Non-OCHIN Members)

## OCHIN Professional Services

Additional services are billed on time and materials via a statement of work (SOW), including:

- Custom workflows and reporting
- Interfaces to external systems (i.e., labs, devices, outside registries, radiology, etc.)
- Compliance consultation
