## **Justification**: (state briefly why legislative action is requested)

On November 10, 2021 Albany County entered into an agreement with New York State Homes and Community Renewal (HCR) regarding the acceptance of Community Development Block Grant Program funding in the amount of \$1,389,890. The County has made significant progress on both the local mental health system enhancements and housing remediation projects, additional time is needed to allow the County to see projects through to completion. The County has continued to experience unanticipated workforce challenges related to ongoing national staffing shortages among mental health care providers (particularly in Crisis Services) as well as administrative backlog. Separately the death of one of the Department of Mental Health's staff directly working on one of the projects, resulted in some additional interruptions to fully utilizing these funds. HCR approved a 3month no-cost extension of the award through March 2024 for the Mental Health system enhancements. The County is now requesting a no cost extension through June 28, 2024 to allow the Land Bank to sell the completed remediated homes as per the requirements of the grant funding. The Land Bank has expended all of the grant funding and must now find qualifying buyers to sell the properties and close out the grant. A request for the extension was submitted to HCR on February 6<sup>th</sup> 2024 after having a conversation with HCR representatives who
