§ 1608. Acquisition of property

(a) The real property of a land bank and its income and operations are exempt from all taxation by the state of New York and by any of its political subdivisions. The real property of a land bank shall be exempt from: (i) all special ad valorem levies and special assessments as defined in section one hundred two of the real property tax law; (ii) sewer rent imposed under article fourteen-F of the general municipal law; and (iii) any and all user charges imposed by any municipal corporation, special district or other political subdivisions of the state, provided, however, that real property of a land bank for which such land bank receives rent, fees, or other charges for the use of such real property shall not be exempt from subparagraphs (ii) and (iii) of this paragraph. Such exempt status shall be effective upon the date of transfer of title to a land bank, notwithstanding the applicable taxable status date.

Not-For-Profit Corporation Law

§ 1607. Powers.

(a) A land bank shall constitute a charitable not-for-profit corporation under New York law, which powers shall include all powers necessary to carry out and effectuate the purposes and provisions of this article, including the following powers in addition to those herein otherwise granted:

(21) to organize a subsidiary for a project or projects which the land bank has the power to pursue under this article when the primary reason for which the subsidiary shall be organized shall be to limit the potential liability impact of the subsidiary's project or projects on the land bank or because state or federal law requires that the purpose of a subsidiary be undertaken through a specific corporate or business structure. All real property of a subsidiary organized under this article shall be maintained on the inventory lists required in this article of the land bank of which it is a subsidiary and the subsidiary shall make all reports and other disclosures as are required of land banks under this article and as local public authorities, unless the subsidiary's operations and finances are consolidated with those of the land bank of which it is a subsidiary. Subsidiaries organized under this article shall be established in the form of a New York charitable not-for-profit corporation or a New York single member limited liability company. Subsidiaries shall not have the authority to issue bonds, notes or other debts, provided, however, that such subsidiaries may issue notes or other debt to the land bank of which it is a subsidiary. The organizational documents filed to create a subsidiary under this article shall state that the land bank is organizing the subsidiary for the purposes set forth in this article and the name of the subsidiary shall be reasonably related to the name of the land bank of which it is a subsidiary. The real property of a subsidiary organized under this article and its income and operations are exempt from all taxation by the state of New York and by any of its political subdivisions;

Real Property Tax Law

§ 558. Cancellation of void taxes. 1. The county legislature of any county shall direct the cancellation of any unpaid tax levied or imposed by such county against property of the state or the United States where it is determined that the lien of such tax cannot be enforced. The county legislature of any county shall also direct the cancellation of any unpaid tax levied or imposed by such county where the lien of such tax is rendered permanently unenforceable by operation of the provisions of any statute. The amount of any tax so cancelled shall be a charge upon the county to the extent of the county taxes that were so cancelled and upon the cities and towns or special districts thereof to the extent of the respective city, town or special district taxes that were so cancelled. Amounts so charged to cities, towns and special districts shall be included in the next ensuing tax levy.

2. The county legislature of any county shall direct the cancellation of any unpaid school tax levied by such county pursuant to subdivision five of section thirteen hundred thirty or subdivision five of section thirteen hundred thirty-two of this chapter, or any unpaid village tax levied by such county pursuant to subdivision four of section fourteen hundred forty-two of this chapter, against property of the state or the United States where it is determined that the lien of such tax cannot be enforced, or where the lien of such tax is rendered permanently unenforceable by operation of the provisions of any statute. The amount of any tax so cancelled shall be charged against the school district or village which levied such tax. The amount so charged against a school district or village shall be withheld by the county treasurer from any moneys which shall become payable by him to such school district or village by reason of taxes which shall thereafter be returned to him as uncollected by such school district or village. No such cancellation of any unpaid school taxes or no such charge shall be made by the county legislature against any such school district or village unless ten days' notice thereof by mail shall be given to the school authorities thereof.
