Reg: Application for Corrected Tax Roll

To whom it may concern,

There has been an error in the Rotterdam Fire District's tax levy and tax rate amount placed on the 2021 Guilderland Property Tax bills. It has affected 230 parcels.

The total amount of the Fire District's budget was placed on the Guilderland tax bills when only the Town of Guilderland's apportioned tax amount should have been placed on the tax bill.

Original levy amount: \$416,651.00
Corrected levy amount: \$ 64,072.67

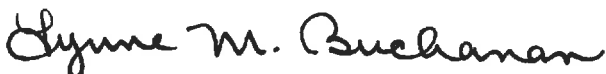

Original Rate: \$7.006193
Corrected Rate: \$1.077414

I respectfully request a "Clerical Error" Warrant Adjustment.

Thank you,
