NOW THEREFORE, for and in consideration of the mutual covenants hereinafter contained, the receipt and sufficiency of which are hereby acknowledged, the Parties hereby agree as follows:

1. Representations of the Parties.

(a) The Owner hereby represents, warrants, and covenants that, as of the date of this Agreement:

1. The Owner is duly organized, and a validly existing Delaware limited liability company duly authorized to do business in the State of New York, has requisite authority to conduct its business as presently conducted or proposed to be conducted under this Agreement, and has full legal right, power, and authority to execute, deliver, and perform all applicable terms and provisions of this Agreement.

2. All necessary action has been taken to authorize the Owner's execution, delivery, and performance of this Agreement and this Agreement constitutes the Owner's legal, valid, and binding obligation enforceable against it in accordance with its terms.

3. None of the execution or delivery of this Agreement, the performance of the obligations in connection with the transactions contemplated hereby, or the fulfillment of the terms and conditions hereof will (i) conflict with or violate any provision of the Owner's Certificate of Incorporation, Certificate of Formation, bylaws or other organizational documents or of any restriction or any agreement or instrument to which the Owner is a party and by which it is bound; (ii) conflict with, violate, or result in a breach of any applicable law, rule, regulation, or order of any court or other taxing jurisdictions or authority of government or ordinance of the State or any political subdivision thereof; or (iii) conflict with, violate, or result in a breach of or constitute a default under or result in the imposition or creation of any mortgage, pledge, lien, security interest, or other encumbrance under this Agreement or under any term or condition of any mortgage, indenture, or any other agreement or instrument to which it is a party or by which it or any of the Owner's properties or assets are bound. There is no action, suit, or proceeding, at law or in equity, or official investigation before or by any government authority pending or, to its knowledge, threatened against the Owner, wherein an anticipated decision, ruling, or finding would result in a material adverse effect on the Owner's ability to perform its obligations under this Agreement or on the validity or enforceability of this Agreement.

(b) The Taxing Jurisdictions hereby represent, warrant, and covenant that, as of the date of this Agreement:

1. The Taxing Jurisdictions are each duly organized, validly existing, and in good standing under the laws of the State of New York and has full legal right, power, and authority to execute, deliver, and perform all applicable terms and provisions of this Agreement.

2. All necessary action has been taken to authorize each of the Taxing Jurisdiction's execution, delivery, and performance of this Agreement, and this Agreement constitutes each of

the Taxing Jurisdiction's legal, valid, and binding obligation enforceable against it in accordance with its terms.

3. No governmental approval by or with any government authority is required for the valid execution, delivery, and performance under this Agreement by the Taxing Jurisdictions except such as have been duly or will be obtained or made.

4. There is no action, suit, or proceeding, at law or in equity, or official investigation before or by any government authority pending or, to its knowledge, threatened against the Taxing Jurisdictions, wherein an anticipated decision, ruling, or finding would result in a material adverse effect on the Taxing Jurisdictions' ability to perform its obligations under this Agreement or on the validity or enforceability of this Agreement.

2. Tax Exemption; Payment in Lieu of Real Property Taxes.

(a) Tax-Exempt Status of the Project Facility. Pursuant to RPTL 487 the Parties hereto agree that the Project shall be placed by the Taxing Jurisdictions as exempt upon the assessment rolls of the Taxing Jurisdictions. A Real Property Tax Exemption Form (RP 487) has or will be filed with the Taxing Jurisdictions and the Project is eligible for exemption pursuant to RPTL 487 (4).

(b) Owner agrees to make annual payments to the Taxing Jurisdictions in lieu of real property taxes for the Project for a period of fifteen (15) consecutive fiscal tax years; annual payments may not exceed the amounts that would otherwise be payable but for the RPTL 487 exemption. Such 15-year term shall commence on the first taxable status date selected by Owner following commencement of the construction of the Project (the "Commencement Date"), and shall end the fifteenth fiscal year following the Commercial Operations Date. The first annual payment shall be in the amount of \$3,399.99 per Megawatt AC of Capacity (the "Annual Payment"). Based on the Capacity of 1.5 Megawatts AC, Annual Payments to be made by Owner during the term of this Agreement shall be as listed in Exhibit B. Each Annual Payment will be paid to the Taxing Jurisdictions in accordance with Section 5 of this Agreement; and the annual payment amount and payment date will be noted on an annual bill issued by the Taxing Jurisdictions to the Owner, provided that any failure of the Taxing Jurisdictions to issue such a bill shall not relieve Owner of its obligation to make timely payments under this section.

(c) Owner agrees that the payments in lieu of taxes under this Agreement will not be reduced on account of a depreciation factor or reduction in the Taxing Jurisdictions' tax rate, and the Taxing Jurisdictions agree that the payments in lieu of taxes will not be increased on account of an inflation factor or increase in the Taxing Jurisdictions' tax rate, all of which factors have been considered in arriving at the payment amounts reflected in this Agreement.

(d) The Taxing Jurisdictions shall be paid their portion of the Annual Payment based on their respective share of the total tax rate that would have been applicable to the Project if it were taxable on the Commencement date, and each anniversary of the Commencement date thereafter.

3. Change in Capacity at Mechanical Completion: Adjustments to Payments. To the

extent that the Capacity of the Project is more or less than the 1.5 Megawatts AC on the date when the Project is mechanically complete and Owner has commenced production of electricity, the payments set forth in Exhibit B will be increased or decreased on a pro rata basis.

4. Change in Capacity After Mechanical Completion: Adjustments to Payments. If after the Completion Date the Capacity is increased or increased as a result of the replacement or upgrade or partial removal or retirement of existing Project equipment or property or the addition of new Project equipment or property, the Annual Payments set forth in Exhibit B shall be increased or decreased on a pro rata basis for the remaining years of the Agreement.

5. Payment Collection.

The Annual Payment shall be made payable to the County Treasurer and mailed to the County of Albany, c/o [ENTER COUNTY ADDRESS], and are due no later than February 15th of each year.

The County of Albany shall distribute the payment amounts as set forth on Exhibit B to the Town of Colonie and the South Colonie Central School District.

Payments for the School District shall be made payable to the South Colonie Central School District and mailed to the School District, c/o the Superintendent's Office, located at [ENTER SCHOOL DISTRICT ADDRESS] and are due no later than _____ of each year.

Payments for the Town shall be made payable to the Town of Colonie and mailed to the Town of Colonie, c/o the Town of Colonie Supervisor's Office, located at [ENTER TOWN ADDRESS] and are due no later than _____ of each year.

All late payments shall accrue interest at the statutory rate for late tax payments under New York Law. Owner shall pay the reasonable attorney fees, court and other costs incurred by any of the Taxing Jurisdictions in the collection of the unpaid amounts. All payments by the Owner hereunder shall be paid in lawful money of the United States of America.

6. Tax Status. Separate Tax Lot. The Taxing Jurisdictions agree that during the term of this Agreement, the Taxing Jurisdictions will not assess Owner for any real property taxes with respect to the Project to which Owner might otherwise be subject under New York law, and the Taxing Jurisdictions agree that this Agreement will exclusively govern the payments of all such taxes, provided, however, that this Agreement is not intended to affect, and will not preclude the Taxing Jurisdictions from assessing, any other taxes, fees, charges, rates or assessments which the Owner is obligated to pay, including, but not limited to, special assessments or special district assessments, fees, or charges for services provided by the Taxing Jurisdictions to the Project. Nothing in this Agreement shall limit the right of the Owner to challenge the assessment of the Project pursuant to the RPTL.

7. No Assignments Without Prior Notice; Binding Effect.

(a) This Agreement may not be assigned by Owner without the prior written consent of the Taxing Jurisdictions; such consent may not be unreasonably withheld if the Assignee has

agreed in writing to accept all obligations of the Owner. The restrictions on assignment contained herein do not prohibit or otherwise limit changes in control of Owner. If Owner assigns this Agreement with the advance written consent of the Taxing Jurisdictions, the Owner shall be released from all obligations under this Agreement upon assumption hereof in writing by the assignee, provided that Owner shall, as a condition of such assignment and to the reasonable satisfaction of the Taxing Jurisdictions, cure any defaults and satisfy all liabilities arising under this Agreement prior to the date of such assignment. A Notice of this Agreement may be recorded by Owner and the Taxing Jurisdictions shall cooperate in the execution of required Assignments with the Owner and its successors. Owner may, with advance written notice to the Taxing Jurisdictions and without prior consent, assign this Agreement to an affiliate of Owner or to any party who has provided or is providing financing to Owner for the construction, operation and/or maintenance of the Project.

(b) Binding Effect. This PILOT Agreement shall inure to the benefit of, and shall be binding upon, the Taxing Jurisdictions, the Owner and their respective successors and assigns.

8. Statement of Good Faith. The Parties agree that the payment obligations established by this Agreement have been negotiated in good faith in recognition of and with due consideration of the full and fair taxable value of the Project.

9. Additional Documentation and Actions. Subject to applicable laws and regulations, each Party will, from time to time hereafter, execute and deliver or cause to be executed and delivered, such reasonable additional instruments and documents as the other Party reasonably requests for the purpose of implementing or effectuating the provisions of this Agreement. Owner shall pay all reasonable attorneys' and consulting fees incurred by the Taxing Jurisdictions to review and negotiate any such instruments or documents.

10. Notices. All notices, consents, requests, or other communications provided for or permitted to be given hereunder by a Party must be in writing and will be deemed to have been properly given or served upon the personal delivery thereof, via courier delivery service, by hand, or by certified mail, return receipt requested.
