Hon. Andrew Joyce, Chairman
Albany County Legislature
112 State Street, Rm. 710
Albany, NY 12207

Dear Chairman Joyce:

The Department of Public Works is requesting the Legislature's approval to enter into an agreement with William J. Keller Construction Corp. for the Construction of CR352 (Fox Creek Rd.) over Fox Creek Bridge Replacement Project.

The project includes replacing the existing, deteriorated A588 Steel Bridge structure with a precast concrete arch structure founded on concrete filled steel pipe piles. Stream reconstruction and minor approach work will also be included in the project.

The County Purchasing Agent received four (4) bids for this project. Our engineering staff along with the County's hired Consultant reviewed the bids and recommended the award of this contract to the low bidder, William J. Keller & Sons Construction Corp. The total contract amount shall not exceed \$2,069,999.20.

If there are any questions or further information is needed, please feel free to contact my office.

Sincerely,

Lisa M. Ramundo
Commissioner
