The Albany County Department of Health (ACDOH) requests a grant acceptance and contract authorization for the Public Health Strengthening Infrastructure, Workforce and Data Systems funding sponsored by the Centers for Disease Control and Prevention (CDC). The ACDOH was awarded \$858,886 split evenly each year for the five years of the grant term December 1, 2022-November 30, 2027. This is additional funding that was not solicited by the ACDOH. Per the parameters of the grant, funds will be used for the hiring and retention of staff; staff training and education; and office upgrades, including updating equipment and software/technology solutions.
