Re: MVP Arena Bond Resolution – Upper Level Curtain Replacement – C2501

Dear Chairwoman Cunningham:

The MVP Arena respectfully requests approval of a bond resolution authorizing \$1,500,000

For MVP Arena – The existing curtains were installed in 1993 and have been maintained and operational since. The curtain motor, wires and material are starting to age and have needed more significant repair. Safety lines need to be added to the truss so lifts will not be needed to access the curtain area for repairs or other needs.

This project is included within the current Capital Plan – Upper Level Curtain Replacement – C2501.

If you should have any further questions, please do not hesitate to contact me.

Sincerely,

Robert Belber
General Manager
