Previous requests for Identical or Similar Action:

Resolution/Law Number: 312

Date of Adoption: 7/10/2018

Justification: (state briefly why legislative action is requested)

Jersen Construction is in the process of completing punch list items from our new construction and renovation project. Since some of these items are still outstanding we need to extend the existing contract to 12/31/2021 which will provide them with the time to complete these items and receive payment. There is no additional cost to this contract as we are only changing the expiration date.
