Honorable Joanne Cunningham, Chairwoman
Albany County Legislature
112 State Street, Room 710
Albany, New York 12207

Dear Chairwoman Cunningham:

The Albany County Department of Health (ACDOH) requests contract authorizations with four municipalities to support the Move Your Way® Albany County initiative. These contracts will be funded by the American Rescue Plan Act (ARPA). The New York State Department of Health (NYSDOH) will identify these Albany County communities as a priority and eligible to benefit from assessments to improve community-built environments and to promote physical activity based on the Area Deprivation Index.

Each of the four municipalities' contracts will be for up to \$12,000 and the Move Your Way® Albany County incentive funding deliverables include, but are not limited to the following:

- Planning for Sustainable, Long-Term Improvements by identifying physical activity barriers that can be addressed through durable, long-lasting installations or materials;
- Installation of Permanent or Semi-Permanent Physical Activity Equipment and/or Development of Sustainable Physical Activity Spaces and/or Reusable Community Physical Activity Supplies; and
- Partnership and Maintenance Planning.

Please don't hesitate to contact me if you have any questions or need additional information.

Sincerely,

Kristen A. Navarette, MD, MPH
