Justification: (state briefly why legislative action is requested)

Installation of security gates at the rear entrances of the MVP Arena to protect soft targets. The back lot of the largest public gathering site within the Capital Region lacks physical security and poses a threat to patrons utilizing the venue. The MVP Arena, in addition to being an event space and NYS DHSES training site, also acts as a mass shelter site in the event of an emergency and a point of dispensation for Albany County's Department of Health. The two gates purchased would cost \$52,000. If awarded, the remaining cost would be covered with County funds.
