Previous requests for Identical or Similar Action:

Resolution/Law Number: 153
Date of Adoption: 5/9/222

Justification: (state briefly why legislative action is requested)

Local Social Service Districts are required to provide emergency/transitional shelter to homeless individuals. Therefore, authorization is requested to enter into an agreement with the South Ferry Shelter operated by IPH to provide shelter services to individuals who are unable to secure shelter in other facilities.

In addition to room and board, the South Ferry Shelter provides assistance to its residents by addressing the problems underlying their homelessness and provides case management services which assess needs for health and mental health services, assists clients in applying for Temporary Assistance, SSI/SSD and other benefits which may help them transition to permanent housing and assists clients in securing permanent housing or residential placement.

South Ferry Shelter provides 20 emergency shelter beds offering small occupancy rooms which are more appropriate for homeless individuals with certain mental health and behavioral conditions and can accommodate a mix of females and males depending on the need. The shelter provides 3 meals per day for residents.

For the period 7/1/22-6/30/23, 71 clients were served at the South Ferry Shelter.
