Dear Daniel P. McCoy,

The Eden's Rose Foundation is writing you about our submission to obtain two lots through auction that have been foreclosed and withdrawn by the county. This letter will include information we acquired from Jeff Neil at the County Financial Department.

To begin, we are interested in the parcel located at 110 W Albany Drive. The parcel number/tax number is 54.3-1-39. The foreclosure number is 1779-14 and was a part of the 2013 liens. This parcel is most easily accessible by us. This parcel is completely landlocked by I-90 and the railroad tracks. To the west, it borders a property that CSX Transportation owns. To the east, it borders property we own at 250 Shaker Road. This makes the parcel only accessible through our property border and otherwise inaccessible by the county or any potential buyers.

The other property we are interested in is 98 W Albany Drive. The parcel number/tax number is 54.3-1-37. While we understand this property is completely landlocked and inaccessible to anyone, we are still interested in acquiring it. Since the creation of deeds for these parcels, an easement was recorded, giving us legal access to our property at 250 Shaker Rd. As this easement is filed on legal record, we will be able to access the property at 98 W Albany Drive.

Our intended use for this parcel would be to expand the opportunities for community members living in urban environments to have easier access to nature and greenery. This includes youth STEM learning opportunities through our Wheels Up outdoor mountain biking program, apiary and pollination studies, and urban food training programs. All of which promote food production, nature conservancy, stewardship, and other community support programs within Albany County.

As seen in our applications, we are willing to offer \$500 for each parcel outlined in this letter.

For your reference, our 501c3 non-profit public charity EIN is 26-3807697.

These parcels will greatly improve our ability to serve our community and give real sustainability to our existing programming. It would mean the world to us and those we serve if the county found in our favor for this application. We appreciate your time and consideration.

Sincerely,

Nina Halsted
