Re: DGS Bond Resolution - Vehicle and Truck Replacement Project B1201

Dear Chairwoman Cunningham:

The Department of General Services respectfully requests approval of a bond resolution authorizing \$600,000 for Vehicle and Truck Replacement Project.

This project replaces the fleet pool vehicles in accordance with our Department Vehicle Replacement Plan. This plan would replace the aging vehicles over the next several years as the vehicles being replaced are older, high mileage vehicles. This project was amended to change the completion date to 2035.

These projects are included in the current Capital Plan - Vehicle and Truck Replacement Project B1201.

If you should have any further questions, please do not hesitate to contact me.

Sincerely yours,

David M. Latina
Commissioner
