Previous requests for Identical or Similar Action:

Resolution/Law Number and Date: Enter text.

DESCRIPTION OF REQUEST: (state briefly why legislative action is requested)

The existing system has been maintained for over 30 years. It has been maintained and still operates, but the sound quality is failing. The components are outdated and difficult to replace. There are a few assisted listening devices active. The project is included within the current Capital Plan - Main Arena Sound System - C1801.
