Hon. Andrew Joyce, Chairman
Albany County Legislature
112 State Street, Rm. 710
Albany, NY 12207

Dear Chairman Joyce:

The Department of Public Works is requesting the Legislature's approval for a contract with Colliers Engineering and Design, P.C. in the amount of \$177,000.00 for Construction Inspection Services for the County Route 352 Bridge Replacement Project. This contract will provide independent inspection of the construction project which will replace an existing bridge over Fox Creek in the Town of Rensselaerville.

The County Purchasing Agent received five (5) proposals for this project. Our engineering staff reviewed the proposals and recommended the award to Colliers Engineering and Design, P.C. based on price, comprehension of project scope, prior experience in similar projects, staffing, client references and ability to keep the project on schedule.

If there are any questions or further information is needed, please feel free to contact my office.

Sincerely,

Lisa M. Ramundo
Commissioner
