**Justification:** (state briefly why legislative action is requested)

The Office of the Albany County Executive is requesting authorization to execute a contract amendment with New York State Department of State (NYSDOS) pursuant to the Countywide Climate Resiliency Plan. The plan, which The County was awarded \$138,145 in funding with no County match requirement. The program supports the development of a resiliency plan that proactively addresses climate change risks and vulnerabilities associated with increased frequency and severity of storms and other climate threats. The project is in its final phases of recommendation development and report drafting with completion expected by the end of 2022. Because NYSDOS only offers extensions in six-month increments the extension is requested through 4/30/2023.
