DESCRIPTION OF REQUEST: (state briefly why legislative action is requested)

The Public Defender's Office is requesting authorization to enter into a 10-year agreement with Axon Enterprise regarding a digital evidence management program and to amend the Public Defender's 2024 budget. This digital evidence management program will allow the Public Defender's Office attorneys and staff to more efficiently store, manage, and access digital evidence related to clients' cases. The source of funding for this program will be the Public Defender's Statewide Expansion of Hurrell-Harring grant from NYS Office of Indigent Legal Services. The accompanying budget amendments allocate funds in the Public Defender's budget to facilitate the first payment to Axon Enterprise.
